

**Letter From The President Nancy Grahlmann**

Hello all of you Wonderful Creatives:

I want you all to know, your board members are hard at work this summer making plans for the 2026 Tour, creating ways that we can keep you more informed about current events within the Art League and moving forward to make our meetings more informative and enjoyable. If you are staying in Arizona, leaving to a second home or vacationing, please stay safe. I'm wishing a great summer for all of you and look forward to seeing you in October. Keep your heart open and your creativity flowing.

Nancy

**Some Tid-Bits from Veronique our NEW "Artisan Tour Director"**

I'm beyond proud and super excited to step into the role of your new Tour Director! Most of you know me already—and if you do, you know I love to play with fire and color (safely, of course 😊). My artistic passion lies in creating vibrant enameled jewelry that's as unique as YOU and guaranteed to brighten your day.

But that's not all—I'm also a huge fan of Neuro Art! It's a magical, mindful drawing technique that helps you relax, get creative, and tap into your inner genius (yes, you have one!). I offer fun, no-experience-needed classes where we turn scribbles into stunning art and calm the mind while we're at it. It's art, it's therapy, it's a total vibe.

I want to give a huge shoutout to Lloyd, Elaine, and their amazing crew for all the heart and soul they poured into this tour. I'm incredibly thankful for the foundation they've built, and I'm committed to honoring that original vision while also growing it into something even more exciting—with more artists, more community connections, and deeper ties with our local schools.

**But here's the deal:**

I can't do it alone. I need all the help I can get to make this next chapter unforgettable. If you're passionate about art, community, or just want to be part of something wild and wonderful, reach out to me!

This new, Artisan Tour is going to be so fun, so fresh, and honestly... it might just blow your pants off. 😂

You can see Veronique's Jewellery line at the Fountain Hills Artists Gallery on the Avenue.

## SUMMER PROJECT 2025

This summer, we're chasing the sky—and we'd love for you to join us!

We're thrilled to support the Fountain Hills Dark Sky Discovery Project, a dazzling endeavor unfolding right here in our beautiful town. Isn't it lovely watching it bloom, one dreamy step at a time? Our theme is simple: Sky. But oh, what a sky it is! Big skies, tiny skies, stormy, starry, painted in every hue your heart can imagine. As long as it touches the sky, it belongs. Artists aren't scared of bold ideas—we follow them like fireflies in the dark. Who knows what surprises will come fluttering out of your brush, your lens, your hands? Let's create, explore, and marvel together. I can't wait to see what magic you make.

Wishing you a summer full of color and delight. Go play!
