Next Meeting June 1st, at 6pm

Hello everyone!

I hope you had a nice Memorial Day weekend. June 1 kicks off our summer season. As a reminder to the prior email on this, we will be making Red, White, and Blue decorations for local assisted living centers. These will be dropped off for residents to use on their doors or however they wish. This is a reminder from the email sent a few weeks ago.

We'll also have the option to help create decorations for the 250th America Birthday theme for the FH Thanksgiving parade. We participated last year and are getting an early start during the slower season. It's a great way to build our presence in the community, and the League's efforts are definitely being noticed.

Our summer youth workshops are back in the FH Community Center Art Room and registration will be online shortly.
June 8th, 11-1 AND July 13th, 11-1 / Free • 12 spots available

Registration will be online shortly. We have volunteers more are always welcome.

“Veterans Art” and “Art & Disabilities” workshops are also planned this summer, with dates coming soon. Some will be held at their locations for convenience. It's exciting to see the League becoming more involved in the community through the arts.

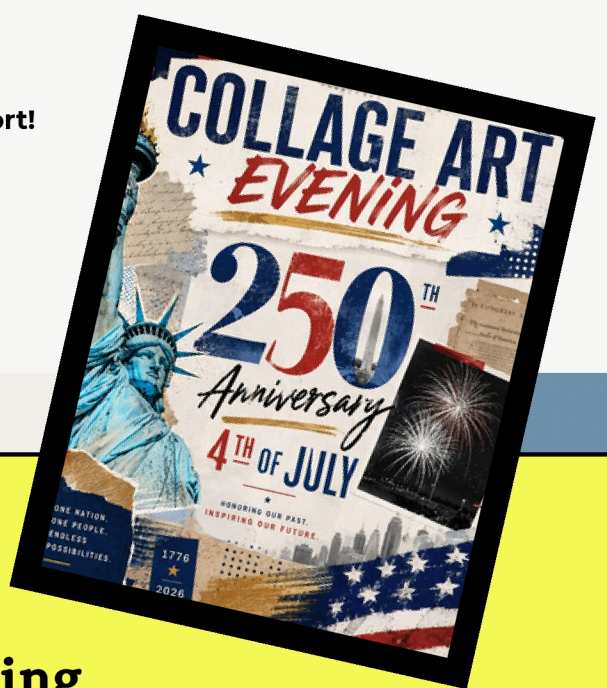

The Board will be holding a second meeting to learn more about the benefits of becoming a 501(c)(3). This is simply information gathering for future membership discussion.

Reminder: If you'd like to know more about Board financials or current projects, please reach out directly. We're always happy to connect and share accurate information.

We also now have an official FHAL mailing address thanks to Sue and Shirley:

P.O. Box 17271
Fountain Hills, AZ 85269

Thank you for your continued support!
Kind regards,
Carrie Godwin
President, FHAL

June 1, Members Meeting

The response to our last collage evening was overwhelmingly positive, and many members asked us to do it again – so here you go!

Please bring your scissors and any collage materials that you can contribute. We will do other paper art projects as well i.e. Moravian stars and origami wreaths; those materials will be provided. Join us in making these decorations for our senior living residents.

We are in the process of communicating with the Art Teachers from the FH High School, FH MiddleSchool (same teacher) and The Inspiration Academy so we can learn what supplies they are in need of. Along with this they will be invited to a League meeting to share with us thier creations at a later date. This way the League as well whole gets to see the creations and meet the students and teachers while they then learn about the League. More details to come.

Learn how you can support the arts in Fountain Hills!
