## Letter From The President Nancy Grahlmann

Good day Artists:

I am truly getting that fall sensation, as I am writing this letter from Estes Park, Colorado. The trees are changing color and the Aspen in the mountains range from golden yellows to fiery reds and oranges. It's all breathtaking. I am so excited for our first meeting in October. Your board has been working hard all summer long so that your experience with FHAL will make you proud. We are digging in to bring you more opportunities for growth and experiences.

Hold on to your hats and be prepared to get blown away! Can't wait to see your summer projects and look forward to seeing you all very soon.

Keep your heart open and creativity flowing,

Nancy

## SUMMER PROJECT 2025

Bring to Oct. 6<sup>th</sup> Meeting

This summer, we're chasing the sky—and we'd love for you to join us!

We're thrilled to support the Fountain Hills Dark Sky Discovery Project, a dazzling endeavor unfolding right here in our beautiful town. Isn't it lovely watching it bloom, one dreamy step at a time? Our theme is simple: Sky. But oh, what a sky it is! Big skies, tiny skies, stormy, starry, painted in every hue your heart can imagine. As long as it touches the sky, it belongs. Artists aren't scared of bold ideas—we follow them like fireflies in the dark. Who knows what surprises will come fluttering out of your brush, your lens, your hands? Let's create, explore, and marvel together.

I can't wait to see what magic you make. Wishing you a summer full of color and delight. Go play!
